
WESTERN REVOLUTION: MARINE LE PEN TO LEAD

Description

How Marine Le Pen Is Leading The Second French Revolution Against The Global Elites' Exploitation And Domination Over Mankind.

“During the past two centuries when the peoples of the world were gradually winning their political freedom from the dynastic monarchies, the major banking families of Europe and America were actually reversing the trend by setting up new dynasties of political control through the formation of international financial combines... These banking dynasties had learned that all governments must have sources of revenue from which to borrow in times of emergency. They had also learned that by providing such funds from their own private resources, they could make both kings and democratic leaders tremendously subservient to their will.” — Carroll Quigley on ROTHSCHILD BANKING DYNASTY in his book “Tragedy and Hope”

“The division of the United States into federations of equal force [The North & The South] was decided long before the Civil War. These bankers were afraid that the United States would upset their financial domination over the world. The voice of the Rothschilds prevailed.” — German Chancellor Otto von Bismarck.

America, Europe and, subsequently the whole world are waking up from a long nightmare. A nightmare, which has made the whole earth and mankind as the most corrupted, contaminated, diseased and destroyed in history, is COLONIALISM, with its offshoot GLOBALISM. As the most corruptor and destroyer of earth and mankind, globalists are no longer welcome in any nations of the world, and they must be send away from mother earth, possibly to distant planets like Mars or Venus with a one-way ticket, so that they may never return back to earth.

For almost 100 years there has been a Secret Ruling Cabal of Banksters and Industrialists from the City of London Financial District that has been running the USG and setting the policies of America which are based on Big Lies and Major Deceptions. Dean Henderson in his book "Big Oil & Their Bankers in the Persian Gulf: "Rothschild-controlled Barings Bank bankrolled the Chinese opium and African slave trades. It financed the Louisiana Purchase.

The House of Rothschild financed the Prussian War, the Crimean War and the British attempt to seize the Suez Canal from the French. Nathan Rothschild made a huge financial bet on Napoleon at the Battle of Waterloo, while also funding the Duke of Wellington's peninsular campaign against Napoleon. Both the Mexican War and the Civil War were gold mines for the family."

Globalization By the Monopoly Main Stream Media

This cabal (call it GLOBALISM) has spent many billions of hard earned American dollars which they have confiscated through a crooked tax system to pay "talking-head" major mass media "newscasters" to limit what you can know and to make sure almost everything the Controlled Major Mass Media (CMMM) is lies and dispensed propaganda, which helps keep this super-elite deviant Ruling Cabal in power and keeps important truths from the public.

The Cabal knows that they must keep truth from the people in order to continue in power, and now the advent of the worldwide Internet is posing their greatest threat ever, and their demise may be right around the corner.

Some of the oldest most senior members of the Cabal believe that the only way to stop this erosion of their control over truth that the Internet now presents is to elicit a major nuclear WW3 that will radically depopulate the earth and convert the political structure back into a Middle Ages type feudal King/Serf system.

The advent of the worldwide Internet is proving to be the undoing of this Cabal's previous near complete lock on the truth.

They have controlled the history books, the school teaching agendas and limited higher education to their approved subject areas. The worldwide Internet is now proving to be the New Gutenberg Press and has the same power to completely dethrone the Cabal and restructure society. It is an engine for the spontaneous and widespread emergence of a new worldwide populism, a new worldwide Conscience-Collective that can and will erode and displace the CMMM.

The world does not work the way we have been led to believe — by our corporate mainstream media, by our politicians, by our corporations, by our financial institutions, by our intelligence and military services, by our places of worship, by our schools and universities.

We are bombarded daily with so much misinformation, disinformation, propaganda, half-truths, and outright lies, that it takes a persistent individual to sort through the fog of information to find the truth.

Today people have stopped believing in the corporate news media. Their narrative is to control reality and to control the narrative for good. The entire mainstream press is a matrix

and anyone who believes their propaganda is in the matrix themselves.

Now the corporate prostitutes have a new narrative to focus on people's confidence in the Main Stream Media. Today's the global Main Stream Media, especially the American media makes the old USSR Pravda look fair, balanced, and open.

Everything Is Rigged In Modern Society

Everything Is Rigged: Medicine, science, elections, the media, money, education, search engines, social media... you are living in a fabricated fairy tale.

Every institution in the world, especially America, is sold out, corrupted and politically rigged to favor Big Government and Big Business. "America is a lost country," [explains Paul Craig Roberts](#). "The total corruption of every public and the private institution is complete. Nothing remains but tyranny. And lies. Endless lies."

CNN, Reuters and the Associated Press are all now shameless promoters of every big lie across every sector of society, from vaccines and GMOs to elections and politics. The federal government itself is incapable of doing anything other than lying, and it has totally corrupted the entire realm of science by pulling the strings of funding via the National Institutes of Health and the NSF.

The FDA is entirely corrupt, as is the USDA. Both function now as little more than marketing propaganda pushers for Big Pharma and Big Biotech. Similarly, Google, Facebook and Twitter are all rigged, too, censoring the voices they don't want anyone to

hear while highlighting the establishment lies they wish to promote.

Here's what "rigged" really means... the tools of tyranny

When we say "everything is rigged," what does that mean, exactly?

All "official sources" are ordered to constantly lie about everything, weaving illusions to push a chosen narrative rooted in fiction (from "there are no Islamic terrorists" to "carbon dioxide is poison to the planet").

All voices of reason and sanity are silenced. Only the most insane, irrational voices are allowed to be magnified through any media (including social media). This is also true across the sciences, where real science has been all but snuffed out by political agendas (biosludge, GMOs, glyphosate, mercury in dentistry, etc.).

All facts are obliterated by propaganda. Facts have no place in any debate, and those who invoke facts are shamed and silenced (or even fired from their jobs, expelled from their schools or bullied into a state of suicide on social media). Anyone who invokes facts on things like the actual statistics of police shootings is told they are "part of the problem" because they have the "wrong attitude" about social justice.

Every branch of government is weaponized against the people and used as an assault tool against political enemies who threaten the status quo. (IRS, FDA, FTC, DEA, EPA, USDA, etc.)

All science is distorted into absurd, politically-motivated conclusions about everything the government wants to use to control the masses: Vaccines, climate change, GMOs, fluoride, flu shots, chemical agriculture, carbon dioxide and so on.

Every branch of medicine is hijacked by globalist agendas to make sure medicine never makes anyone healthier, more alert or more cognitively capable of thinking for themselves.

Every "news item" that's reported from any official source is deliberately distorted to the point of insanity, turning many facts on their heads while attacking anyone who might offer something truly constructive to the world. (Such as reporting that Clinton was "cleared" by the FBI when, in fact, she was indicted by the very facts the FBI presented!)

All voices of truth are silenced, then replaced by meaningless, distracting babble (Kardashians) or meaningless, tribal sports competitions (the Rio Olympics). The point is to dumb down the entire population to the point of cultural lunacy.

Any true reports that contradict any official narrative are immediately censored. For example, radio host Michael Savage just got blocked by Facebook for posting a true story about an illegal alien who committed murder in America.

Globalists and the New World Order

Why do the nations conspire and the peoples plot in vain?

Folks, our global society has been internally infected by a demonic inspired philosophy, that if allowed to continue to grow, will lead us all to the throne of darkness demanding we bend a knee and pledge allegiance to the satanic New World Order.

Whether you call it postmodernism or [Cultural Marxism](#), the philosophy has entrenched itself in our society as the 21st Century “new normal.”

As the cultural Marxism idols of [atheism](#), [humanism](#), and [communism](#) have become mainstream and now accepted by most, the contest for the souls and minds of Americans is now being fought by formidable opponents in godless liberal collectivists, multi-national corporate globalists, neo-conservative fascists, and Satanism.

No longer are we only threatened from without by a group of balding hard-line Communists – we are now threatened from within – by a group of intelligent, well-dressed globalists who are convincing America and the nations of the world that the only way to lasting world peace is the establishment of a ... “New World Order.”

Finally our world gets a woman to save mankind: marine le pen, the (wo)man with a spine, is all set to sending all globalists to mars or venus — with a one-way ticket.

How marine le pen is leading the second French Revolution against the global elites’ exploitation and domination over mankind.

Leading French presidential candidate Marine Le Pen has vowed to “destroy the New World Order” when she is elected President of France, sending a warning to European elites that she will “dismantle their corrupt, self-serving institutions with my own two hands if I have to.” And le pen is fighting the Globalists, who are the colonial wolves in sheep’s clothing, are the proponents of New World Order.

“The people have spoken and their message is clear: the New World Order is finished,” Marine Le Pen announced to a starstruck tour group at the headquarters of the National Front party west of Paris.

“The elite are not safe hiding behind their propaganda fueled media institutions, making unaccountable decisions in Brussels, and silencing citizens who speak out against this insanity. When I am President a tidal wave of revulsion will be coming their way, the likes of which has never been seen before.” According to a documentary crew, the tour group burst into spontaneous applause.

[In a recent BBC interview](#), Marine Le Pen held her own with a hostile interviewer, and laid out her vision for reclaiming French sovereignty.

“When I am elected President, I will go to the European Union and say that I want four sovereignties back. Legislative sovereignty: our laws are more important than EU directives. Territorial sovereignty: we decide who comes and stays in our country, we want borders. Thirdly, economic and banking sovereignty: I have the right to promote economic patriotism if I so wish. And of course, monetary sovereignty.”

If the European Union rejects Le Pen’s demands, she says she will tell the French people they have no option but to leave the tyrannical superstate.

Marine Le Pen, whose hobbies include horseback riding and breeding green tree frogs, believes that European states across the continent – including [France](#), the Netherlands, Denmark, [Italy](#) and [Hungary](#) – are following in Britain’s footsteps and rejecting the European Union, and it won’t be long before the EU will be consigned to scrap heap as a failed project, much like the communist USSR.

“Something fundamental is happening: the comeback of nations, of sovereign states, with people, with frontiers. People now want to be in charge of their destinies. For a long time they were prevented from doing so,” Le Pen said.
